

Montagebeiblatt für Art.-Nr. 100401

1. Packinginhalt: Halter rechts + links, 2 Spiegelköpfe, 2 Anleitungen, 1 Tasche

The image shows the contents of the product packaging. On the left is a brown cardboard box. In the center are two black mirror holders, one for the right side and one for the left side. To the right is a black carrying case with the brand name 'EMUK' printed in yellow. Next to the case is a manual with a 'SPECIAL SPIEGEL' label and a '5 Jahre' warranty badge. A white instruction sheet is also visible.

2. Halter von innen am Spiegelgehäuserand einhängen.

The image shows a side view of the yellow mirror housing. A black mirror holder is being inserted from the inside of the housing into a slot. The holder has a long, thin stem extending outwards.

3. Halter von oben nach unten aufschieben, bis er auf dem Blinker liegt.

The image shows the yellow mirror housing with the black mirror holder attached. The holder is being pushed downwards from the top of the housing until it rests on the blinker mechanism.

4. Klemmschelle über dem Spiegelgehäuserand fest anschrauben.

The image shows a close-up of the mirror holder's stem. A black clamp is being tightened over the top edge of the yellow mirror housing to secure the holder in place.
