

TOUREN A

Portabici da timone per due biciclette compatibile con e-bikes. Grazie al sistema di montaggio con ganci a U, è adatto alla maggior parte dei timoni a V. Dotato di cinghie di fissaggio per una sistemazione sicura della bicicletta e di imbottiture superiori in schiuma per proteggere il carico.

Caravan bike rack for two bicycles compatible with e-bikes. Thanks to its U-hook mounting system, it fits most A-frames. Equipped with tie-down straps for a secure bicycle carriage and top foam padding to protect the cargo.
